Pancakes & Pajamas

December 2026

Host your own Pancakes & Pajamas event

Make your tradition a gift to Island kids

Will you help support Island kids and families?

For nearly 100 years, Children's Health Foundation of Vancouver Island has supported Island kids and youth with complex health needs. Our work focuses on supporting the health journeys of Island kids and their families by reducing the barriers they face when accessing care.

This holiday season, we're inviting your school to join our beloved Pancakes & Pajamas fundraiser by hosting your own satellite fundraising event. Let's team up to bring a Pancakes or Pajamas themed celebration to your school or make CHFVI the charity of choice for a holiday tradition you already organize and cherish.

With your support, together we can increase access to health care for Island kids and families. Please join us!

100%

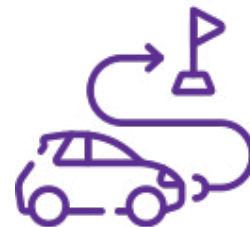

of your fundraising effort stays on the Island to support Island families

Your support helps families:

Stay close to their child during hospital stays, thanks to Homes Away From Home like Jeneece Place and Qwalayu House. Our Homes have helped over 3,355 families since 2012.

Travel long distances for care and access specialized equipment. Since 2021, more than 2,600 Island kids have received support from Bear Essentials.

Together, these programs have supported **thousands** of Island families, reducing barriers to care and keeping families close when every moment matters.
