

How much support can I expect from Children's Health Foundation of Vancouver Island?

- We are so grateful for every event held in support of the Foundation! While we wish we could provide endless support, the Foundation has limited resources that prevent us from helping plan and be part of each event. As a result, we have outlined ways below in which we can and cannot provide support.

We can provide the following support:

- Support with the event application process
- Promotional material to have at your event (for example banners, stickers, buttons, pens, brochures, and bags)
- Logos
- Social media mentions (when applicable)

We are not able to provide the following support:

- Expense reimbursement
- Purchase or acquire auction items
- Apply for gaming licenses on your behalf
- Provide a list of our donors, sponsors, or volunteers
- Solicit sponsorship or media support on your behalf
- Issue tax receipts outside of CRA guidelines
- Provide liability coverage

If you would like our staff at your event, whether speaking or attending, we will do our best to come but cannot promise attendance.
