OF VANCOUVER ISLAND

# About Children's Health Foundation of Vancouver Island

We believe every child, youth, and family should be able to access the care they need regardless of where they live. For nearly 100 years, we have supported Island kids and youth with complex health needs. Thanks to the generous support of donors, we work to reduce barriers to health care access for families across Vancouver Island.

## Jeneece Place, Victoria

- Located on Victoria General Hospital's grounds
- Serves over 375 families per year
- Longest stay in 2023-24 was 110 nights

## Qwalayu House, Campbell River

- Located on North Island Hospital's grounds
- Serves over 170 families per year
- Longest stay in 2023-24 was 60 nights

Our **Homes Away From Home** provide safe and comfortable places for families to stay while travelling to access health care for their kids and pregnant people needing access to maternal care.

**Bear Essentials** is a family support program that assists with the costs of health-related travel and equipment for Island kids. The program is designed for families that have barriers limiting their ability to access health care or equipment for their child.

# We need your help

As a **100% donor-funded organization**, we rely on the support of our Vancouver Island community to deliver our programs. Organizing fundraisers with your friends, family, or community is a meaningful way to bring people together and support a cause you believe in.

Together we can make a difference in the lives of Island families.

"Some kids need extra support, and the ones who often get missed are the kids the Bear Essentials program helps. We're so grateful for the support—it means the world to us."

**Aubrey, Roland's mom**  
**Victoria, BC**

"Thank you. It changes lives for families, and life can be so challenging and hard. To know you have people that will support you and help you with things that you need is huge."

**Heather, Wyatt's mom**  
**Comox Valley, BC**

"I didn't know about Jeneece Place until I needed it. It honestly helps people, especially financially, no matter how long their stay."

# Your impact

Every dollar makes a difference! Here are just a few ways your fundraising efforts will make a difference for Island kids and families.

## **\$50 - Gift of Fuel**

A tank of gas, necessary for families to drive from their homes to health care destinations.

## **\$150 - Good Night's Sleep**

You can provide a family with a welcoming, affordable place to stay near their children receiving care.

## **\$500 - Essential Equipment**

Your gift helps with specialized health equipment that help children learn, grow, and play.

## **\$1,050 - Week of Care**

Your support means a week at one of our homes, helping families stay close to where their kids receive health care.

## **\$2,500 - Helping Hand**

Fund an orthopedic helmet for a baby or similar piece of equipment, helping kids develop as best they can.

## **\$4,500 - Month of Care**

Provide a family a month's worth of the essential comforts of home and community support.

# Fundraising ideas

Anything fun you do can be a way to bring your community together to raise money for Island families! These are a few examples to get you started, but be creative!

For Norah's 6th birthday, her parents hired an ice cream truck and worked with the owner to donate a portion of the proceeds! She managed to raise \$95 for her birthday - what a sweet treat!

**Donate your birthday!** Instead of asking for gifts, ask for a donation to CHFVI! What could be easier?

**Community sale** – plan a community event such as a garage sale, craft sale, or lemonade stand and donate your profits.

**Bottle drive** – choose a day, collect those bottles, and donate the profits!

**Coin drive** – gather change from the couch, create a word jar, or keep the change after your daily coffee. Every cent makes a difference!

**Workplace fundraiser** – organize a jeans day, coworker challenge, or donation drive.

**Ask your community** to sponsor each step you walk, lap you swim, or kilometer you bike. Or organize a group: Pushup challenge? Group hike? Yoga class? Whatever you like to do with others can be a fundraiser.

## Can't get together in-person?

Our online platform JustGiving allows you to easily set up an online fundraiser, share your story and collect donations. Visit [our website](#) for more information.

## Kids Care

We especially appreciate when kids support kids, whether they are doing it themselves or with their class, school, or activity group. We are here to encourage and appreciate their spirit of giving and to show them what a difference they can make in their community.

When children make a donation to CHFVI, we celebrate this with a special certificate thanking them for their generosity and participation. More information about the [Kids Care program](#) is available on our website.
