

100 for 100 Legacy Challenge – Letter of Intent
Celebrating 100 years. Shaping the next 100.

In 2027, Children's Health Foundation of Vancouver Island will celebrate 100 years of putting Island kids first. To mark this milestone, we invite you to join the 100 for 100 Legacy Challenge — helping ensure care and support for Island children for the next century.

This Letter of Intent is a way for you to share your plans to include Island kids in your estate or planned giving. Your pledge is non-binding and can be updated at any time.
