

Celebrating 100 years of caring for Island kids through art!

Children's Health Foundation of Vancouver Island will celebrate its 100th anniversary in 2027. To mark this special milestone, we're inviting Island kids to create art pieces for our **Virtual art gallery** and our **2027 Children's Art Calendar**.

This year's theme is **Celebration**. We encourage young artists to interpret this theme in their own creative way. The artwork might celebrate friends or family, birthdays, animals, nature, holidays, or any joyful moment.

How to enter

1. Ask your child to create an original artwork inspired by the theme **Celebration** on **8.5" x 11" paper**. Each child can submit up to three pieces of artwork. Be sure that each piece is accompanied by a separate submission form.
2. Complete the submission form on page 2. Remember to include a title for your artwork.
3. Submit the piece by **October 14, 2026** using one of the following methods:

Online (preferred)

- Scan the artwork in full colour at 300 dpi (minimum).
- Save as a JPEG, PNG or PDF.
- Ensure the artwork is well aligned and cropped to the edges.
- Email your artwork and completed submission form to: info@islandkidsfirst.com

By mail

Mail your original artwork along with the completed submission form to:

Attn: Leanne Loster

Children's Health Foundation of Vancouver Island

- Only 12 pieces will be chosen for the 2027 Children's Art Calendar.
- Selected artwork may be displayed at the Virtual Art Gallery and at Foundation facilities.
